Mandya forwarding the Petition of Gopal Kurup.

4 From the letter received from the I. G. P. it is seen that this Gopal Kurup was only a Police Constable but doing the duty of a Writer in the Office of the Superintendent. K. G. F. He has put in a Service of 9 years and the reasons for the termination of his services as a deserter are (1) taking Short leave, extending it (by long leave) and not returning to duty though called back and (2) putting in application stating that he would join duty provided he was offered a Sergeant's place failing which the application to be treated as Resignation. His appeal to the D.C. Kadur and the I.G. of Police for reinstatement have proved futile. The above facts concur with the statement of Gopal Kurup in the Petition.

5 He is now working as a temporary mazdur in the V. Canal Divn. Mandya. He prays that he may be provided with a Clerk's post in K.R.S. Circle or elsewhere. The Executive Engineer has not furnished any information regarding the qualification etc. of this official as was called for in this Office letter dated 25.11.1931 but has only forwarded the application of Gopal Kurup with the remarks that he is a very useful hand and his Conduct is excellent."

Submitted for orders

KR 10/12 6 Gopal Kurup has put in nine years service as a Constable; this post is not under the scope of the

Serial No.

C. R. Rules. Moreover his services were terminated as a deserter in the Police Department. His service of nine years therefore cannot be taken into consideration. In his application, he states that he is working in the vacation of Temporary Mastry from the last of four months. In the absence of information, it is not known whether he secured this present appointment through this office.

Enquire &c

7 The appointments of temporary maistries are not advertised in the regular notifications of this office. If the need arises, they will be advertised separately. As such it is not known whether this service in these appointments is taken as qualified Service under the Mysore Service Regulations.

Enquire &c

Even if the service is considered as qualified he has put in only 4½ months service and is still working. As such he cannot be treated as a retrenched official

It may not be necessary or possible to apply the C.R.B Rules in toto to these appointments. But the spirit of the Rules should be followed by the Officers concerned. They may be asked to advertise the vacancies, and appoint non-Brahman candidates (if any apply) for 3 out of every 4 vacancies.

As neither the strength of the temporary establishment requires nor the duration can be fixed, and as men will be sent away & taken on as & when works require, I should think that advertisement of vacancies need not be insisted on. I agree that the spirit of the recruitment rules should be followed by the Officers concerned. I take it, that the idea is to bring the number of appointments of members of the Backward communities to 50% of the total number. If this is so, half the number of temporary mistris may be Brahmins.

22) When big works or works of importance or of an intricate character or in the case of works undertaken by the Departmental agency, big or small, it is usual to employ work maistries or head coolies to supervise and guide the manual operations involved in works and also to see to the quality of materials used and to enforce the departmental specifications. Sanctions are obtained from year to year for a certain number of appointments and the posts are filled up by the Executive Engineers with men possessing previous experience of the type of work to be done and their services are dispensed with either when the work closes or earlier according to circumstances.

23(1) As the appointments are for short periods and as they have to be filled up at short notice it is not in the interests of works to throw open these appointments for advertisements. In order that the spirit of the rules of recruitment be kept up, it is enough if the appointing officers are enjoined to see that, in every Division out of the total number of hands in the temporary establishment, not less than 50 per cent is recruited from the other than Brahmin communities.

During the last Birthday Session of the Leg. Assembly was pointed out by some of the Members that the appointments of Temporary Maistries and Head Coolies were not being advertised or dealt with under the C.R.B Rules, and that a large number of these appointments were being given to Brahmans. The Dewan promised to have the matter looked into.

As these appointments are of uncertain duration and of a menial character it is perhaps unnecessary to invite applications for them by advertising vacancies. Nor is it necessary to apply the C.R.B rules wholesale to these appointments. But it is necessary that the spirit of the C.R.B Rules

With reference to your letter No.2890/C.R.B. dated 25/11/1931 requesting to furnish the details of the service of A.Gopal Kurup, I have the honor to forward herewith a copy of letter No.F.C.86/31 dated 1/12/1931 from the District Superintendent of Police, Kolar Gold Field which contains the details of his service.

With reference to your No.G2.C.342/31 dated 26th November 1931 calling for a report whether A.Gopal Kurup, Ex-Police Constable No.193 worked in this office and if so to furnish the details as required by the C.R.B. Circular No.2384-2483/C.R.B. 5-31-21 dated the 17th October 1931, I have the honor to state as follows:-

Gopal Kurup was a Police Constable inNo.193 of the Kolar Gold Fields Circle and was working as a writer in this office. The Police constable applied for 7 days' casual leave from 2/7/1928 and instead of returning to duty, as specially directed, he sent a post card dated 8/7/1928 praying for 2 months furlough on half pay or leave without allowances. An endorsement was sent to him stating that his leave was not sanctioned and directing him to join duty at once: this was served on his father, a Police constable for communication to him. He put in another application dated 7/9/1928 praying for 3 months furloug on half pay and an endorsement dated 20/9/1928 was sent to his father directing him to join duty at once and the father refused to take the endorsement on the ground that his son's whereabouts were not known to him.

In an application dated 22/10/1928, Gopal Kurup stated that he would join duty immediately provided he was offered a Sergeant's place, failing which his application might be treated as his resignation. Thereupon an endorsement was sent to him that he had overstayed his leave without permission, his name has been struck off the Force as Deserter. He had not furnished his address in any of the leave applications and he went on 7 days' casual leave and stayed away without permission.

The said Police constable had appealed to the Deputy Commissioner for his restoration of post and Inspector General of Police in My Mysore, Bangalore but both the appeals were rejected.

He was not a clerk of this office but a Police constable doing the work of this office as he had a neat hand. The Constable had put in 9 years of service and his name was struck off the rolls asa deserter-

With reference to the enclosed Correspondence from the Secretary, Central Recruitment Board, Bangalore, I beg to state that prior to my appointment in this Division, I was working in the Office of the Dt. Superintendent of Police, Kolar Gold Field, from February 1919 to end of June 1928 (Vide Copy of Certificate of Service enclosed). Due to my mother's illness at home I went on Casual leave and had to extend same as I also fell ill, so I could not join duty on the due date. After recovering from illness, I approached the Superintendent of Police with an application, (during April 1931), explaining therein the Circumstances under which I failed to join duty in time. After being satisfied with my statements, the Supdt. of Police kindly recommended my Case to the present Inspector General of Police for reinstatement, but I was not fortunate enough to get any favourable orders thereon.

I have been working in this Division for the last 4 months, doing the duties of a Typist in the Project Branch in the grade of a Temporary Maistry. As my appointment here, as a Temporary Maistry, may be terminated at any time, I beg to request that I may be appointed as a Clerk in the Krishnarajasagara Circle or elsewhere. My father who has put in 29 years of Service in the Kolar Gold Field Police Force, is going to be retired Shortly, and as there are a large number of dependents on him, my Case may be kindly treated sympathetically.

Before Concluding, I again humbly pray that in view of my present Service in the Krishna Sagara Works and past Service in the Police Department, I may kindly be provided with a suitable appointment.

For which act of kindness I shall ever remain grateful.

I beg to remain, Sir,
Your most obedient Servant,
A. Gopala Kurup,
Temporary Maistry,

Subject:- Non-applicability of recruitment rules to the appointment of temporary work maistries in the Public Works Department.

Sir,

With reference to your No.5001/C.R.Board dated the 12th April 1932, on the above subject, I have the honor to inform you that the appointments of temporary work maistries are made when large works are undertaken - neither the strength of this Establishment nor the duration can be fixed. The work maistries are skilled workmen in the majority of cases and in others such as have experience of works so as to be able to command and guide unskilled labour. Mere general qualifications do not form the criterion for selecting candidates for such temporary appointments.

2. I would suggest that under the above circumstances, the rules of recruitment may not be applied in the case of this class of appointments.

Sir,
